

## **IDFC Bank Limited Business Continuity Management (BCM) Disclosure**

### ***Overview***

IDFC Bank understands the environment it operates in and the associated risks therein and hence has put in place a comprehensive **Business Continuity Management (BCM) Program** that commits to **1) Protect staff 2) Maintain continuity of critical operations 3) Protect IDFC Bank assets and brand value.**

The bank has developed and implemented recovery strategies & infrastructure to ensure recovery and continuity of critical operations per agreed timelines and acceptable service levels. The same is tested periodically to address any gaps.

A Crisis Management Plan (CMP) is in place to ensure timely communications and structured response during a crisis. Further, a Pandemic Plan and Disaster Recovery plan exists to compliment the overall readiness of the bank.

IDFC Bank BCM program is aligned to the guidelines prescribed by RBI as well as to global & industry best BCM practices.

### ***For significant disruptions***

IDFC Bank values its customer's needs & expectations, particularly in times of a crisis and thus strives to deliver banking services using its multiple channels/products/services viz. Netbanking, IDFC Bank ATMs, other bank ATMs (free, no charge applicable), Mobile banking, Phone banking, access to IDFC Bank branches anywhere etc.

Our in house, state-of-the-art customer service centers ensure that the customer needs are addressed immediately and efficiently.
